★ MASTER STYLE PROMPT — paste before every asset prompt (same as kit 1):

Flat vector illustration in a playful, modern pet-brand style: bubbly rounded shapes, thick clean deep-plum (#4A2360) outlines, cute and cheerful, soft cel shading. Brand palette: bubblegum pink #E84C9A, deep plum #4A2360, soft pink #F48FBF, soft lavender #E9CFE0, cream #FBEEF7, with sunny-yellow #FFC94D and sky-blue #6FC5EC accents. Clean, high-resolution, isolated on a transparent background, centered with even padding. Match the existing Shaggy Doggy Spa illustration set (attach the hero-mascot as a style reference).

2 · Fill the gap from Kit 1

23. Process-step icons (4)

4x PNG · 512²

Use: home "A Simple, Honest Process" + Book page steps. (These were in Kit 1 as #12 but never generated — the site currently uses stand-ins.)

A set of four matching filled-line icons in pink #E84C9A with deep-plum #4A2360 outline, rounded friendly shapes, each centered: (1) a phone/calendar "book online", (2) a little pink grooming van "we come to you", (3) a dog sitting happily in a bathtub "low-stress groom", (4) a sparkling fresh happy dog with a bow "happy & fresh". Consistent weight/size. Each isolated on a transparent background.

3 · Contact & Book pages

24. Contact-method icon set (4)

4× PNG · 512²

Use: Contact page — beside Phone, Text/After-hours, Email, Hours.

Four matching pink/plum filled-line icons, rounded and friendly, each centered: (1) a phone handset, (2) a speech/text bubble with a paw, (3) an envelope, (4) a clock. Same weight and style. Each isolated on a transparent background.

25. "Let's talk" contact mascot

PNG · 1000×1100

Use: Contact page hero/side.

A friendly cartoon dog wearing a small pink headset, one paw giving a happy wave, a little speech bubble with a heart. Warm and welcoming "we're here to help" vibe. Transparent background.

26. Booking mascot

PNG · 1000×1100

Use: Book page, beside the calendar.

A cute cartoon dog holding a pink calendar/clipboard and a pencil, marking a date with a check, excited expression. "Let's get you booked" feeling. Transparent background.

4 · About page & service area

27. Service-area map

PNG · 1800×1100

Use: About + Contact — "areas we serve".

A cute stylized flat map of California's High Desert showing labeled towns – Phelan, Piñon Hills, Oak Hills, Wrightwood, Hesperia, Victorville, Apple Valley – connected by a curvy dotted road, with the pink Shaggy Doggy Spa grooming van driving on it and small pink paw-print map pins on each town. Soft cream/lavender land, playful. Transparent background.

28. "Meet your groomer" illustration

PNG · 1200×1200

Use: About page story section.

A warm flat illustration of a friendly female groomer in a pink apron gently brushing a happy fluffy dog on a grooming table, a few sparkles and bubbles around them, caring and personal. Same cartoon style. Transparent background.

5 · Packages page

29. Package-tier dog illustrations (6)

6× PNG · 900²

Use: Packages page — one cute dog per tier (like a "Spaw menu"). Match to: Full Groom, Bath & Brush, Deshedding, Nail Trim, Flea & Tick, Cat Grooming.

A set of six cute cartoon dogs (and one cat for "Cat Grooming"), each on a soft pastel blob, illustrating a grooming tier: (1) a fully-styled fluffy dog with a bow (Full Groom), (2) a dog in a bubbly bath (Bath & Brush), (3) a dog mid-brush with fur puffs (Deshedding), (4) a dog showing a paw with trimmed nails (Nail Trim), (5) a dog with a little shield badge (Flea & Tick), (6) a happy groomed cat (Cat Grooming). Consistent style across all six. Each isolated on a transparent background.

6 · Trust, states & structure (all pages)

30. Trust / certification badges (4)

4× PNG · 640²

Use: About "What Makes Us Different", footer, home trust bar.

A set of four circular vintage-cute brand badges, deep-plum outline on soft-pink/cream fill with a small icon + curved text: (1) "CAGE-FREE" with an open-cage/paw, (2) "GENTLE HANDLING" with a heart-paw, (3) "CERTIFIED GROOMER" with scissors, (4) "PET FIRST-AID" with a cross-paw. Consistent. Each isolated on a transparent background.

31. 404 / empty-state "lost pup"

PNG · 1000×1000

Use: not-found page + empty gallery/reviews states.

A cute cartoon dog sitting with its head tilted and a big pink question mark above it, holding a tiny map upside-down, an "oops, lost!" but adorable expression. Transparent background.

32. Section scallop divider

PNG · 1600×90 · seamless-x

Use: playful edge between sections (top + bottom variants).

A seamless horizontal scalloped/cloud-bump edge strip in solid cream #FBEEF7 (and a second version in soft lavender #E9CFE0), the bumps along the top edge, transparent below – tiles left-to-right perfectly. Flat, clean. Provide top-edge and bottom-edge (mirrored) versions.

Priority: 23 (process icons) → 24 (contact icons) → 29 (package tiers) → 27 (service-area map) → 30 (trust badges) → 25/26 (contact/booking mascots) → 28 (meet-the-groomer) → 31 (404) → 32 (dividers). Once made, drop them in the Shaggy Dog Assets folder and I'll optimize + wire each into its page and redeploy — same as before.
